 - 1.4 If any time before the performance Guarantee/ security deposit or any part thereof is refunded to the contractor, it shall appear to Director/Estate Officer, that any work has been executed with unsound, imperfect or unskillful workmanship or with materials of inferior quality, or that any materials or articles provided by him for the execution of the work are unsound, or of quality inferior , to that contracted for , or are otherwise not in accordance with the contract it shall be lawful for the Estate officer intimate this fact in writing to the contractor and then notwithstanding the fact that the work, materials a articles complained of may have been inadvertently passed , certified and paid for , the contractor shall be bound forthwith to rectify, or remove and reconstruct the work so specified in whole or in part, as the case may require. or if so required, shall remove the materials or articles so specified and

provided & other proper and suitable materials or articles at his own charge and cost, and in the event of his failing to do so within a period to be specified by the Estate Officer in the written intimation aforesaid, the contractor shall be liable to pay compensation at the rate of one percent on the amount of the estimate for every day not exceeding ten days during which the failure so continues and in the case of any such failure the Estate Officer may rectify or and remove, re- execute the work or remove and replace the materials or articles complained of as the case may be at the risk and expense in all respects of the contractor. Should the Estate Officer consider that any such inferior work or materials as described above may be accepted or made use of it shall be within his discretion to accept the same at such reduced rates as he may fix therefore.

- 1.5 The performance Guarantee/ Security Deposit shall be released after 180 days from the date of successful completion of the job.
- 1.6 If the contractor fails to rectify the defects even after the receiving written instructions from ICAR - IISS such works shall be done departmentally and the expenditure shall be deducted from the security deposit of the contractor.

CLAUSE 6: LABOUR ACT

- 1.1 No contractor shall employ any person who is under the age of 18 years. Director is authorized to remove from work any person who is below 18 years.
- 1.2 The contractor shall pay fair and reasonable wages to the workmen employed by him, in the event any dispute arising between the contractor and his workmen on the ground that the wages paid are not fair and reasonable, the dispute shall be referred without any delay to the Director, ICAR-IISS, Mau. The decision of the Director, ICAR- IISS, Mau, shall be conclusive and binding on the contractor.
- 1.3 All facilities provided in the contract labour act should be provided (Regulation and Abolition Act 1971)
- 1.4 The contractor shall pay fair and reasonable wages as per the minimum wages act (Govt. of India).
- 1.5 The contractor shall duly comply all provisions of contract labour act (Gov-1) all other relevant status and statutory provision concerning payment of wages particular to the workmen employed on the site.

CLAUSE 7: SAFETY OF THE WORKERS

- 1.1 The contractor shall be responsible for and shall pay any compensation to his workmen under the workmen's compensation act 1923 (VIII of 1923) (hereafter call the said act) for injuries caused to the workmen.
- 1.2 The contractor shall be responsible for and shall pay the expenses or providing any medical aid to any workman who may suffer bodily injury as a result of an accident.
- 1.3 The contractor shall provide all necessary personal safety equipment and first aid

apparatus available for the use of workers employed on the site and shall maintain the same in condition suitable for immediate use at any time and shall comply with following regulations in connection therewith.

The workers shall be required to use the equipment so provided by the contractor and the contractor shall take adequate steps to ensure proper use of the equipment by those concerned.

- (a) When work is carried on in proximity to any place where there is risk or drawing all necessary equipment shall be provided and kept ready for use and all necessary steps shall be taken for prompt rescue of any person in danger.
- (b) Adequate provisions shall be made for first aid treatment of all injuries likely to be sustained during the course of work.

CLAUSE 8: MODE OF PAYMENT

8.1 The payment of Final bills will be made as per the certificate of Estate Officer

Releasing the bills against the work items completed and measured by him. The contractor should submit his bills as per the directions of the Estate Officer and same will be paid within a month if it is in order i.e.

- 1) 1st R.A. Bill admissible only after completion of 75% of the work order amount, for which 50% of the tender amount will be, released against the R.A. bill above.
- 2) 2nd & Final Bill admissible only after 100% completion of work accompanied by completion Certificate from Estate Officer for which remaining balance amount will be released.

1.2 On Final completion of the work the contractor shall be furnished with a certificate by the Estate Officer of such satisfactory completion. But no such certificate shall be given nor shall the works be considered to be complete until the contractor shall have removed all the rubbish, surplus material, all scaffolding, etc. from the premises. The bill forwarded by the contractor shall be considered for payment only after obtaining the certificate as described above.

1.3 All payments for the work will be made through E transfer only. The contractors shall provide correct Bank details along with bill itself.

1.4 Regarding all payments, inquiry shall be made only to the Director, IISS.

CLAUSE 9: TECHNICAL SPECIFICATIONS

9.1 The contractor shall execute the whole and every part of the work in the most substantial and workman like manner, and both as regards material and every other respect in strict accordance with specifications as mentioned in the tender document against each job.

9.2 Every effort has been made to give detailed specifications for each and every item in the schedule, how wherever specifications mentioned by ICAR- IISS are not sufficient, the works should be carried out as per CPWD technical specification and works manual with latest correction slip.

9.3 The Director shall have power to make any alterations in or additions to the original specifications, drawings, designs, and instructions that may appear to him to be necessary or advisable during the progress of the work and the contractor shall be bound to carry out the work in accordance with any instructions in this connection which may be given to him in writing signed by the Director and such alteration shall not invalidate the contract. Payment of such additional works which are not included in the quantities and rates of original tender schedule shall be made on the basis of CPWD Delhi schedule (2016) rates and producers. Where, however, the work is to be executed according to the designs drawing and specifications recommended by the contractor and accepted by the competent authority of ICAR-IISS. The alterations above referred to shall be within the scope of such designs, drawings and specifications appended to the tender.

9.4 The successful contractor shall make his own arrangement to obtain all materials required for the work like cement, sand, water, electricity, etc.

CLAUSE 10: UNSATISFACTORY AND DEFECTIVE WORKS

- 1.1** Defective work is liable to be rejected at any stage. The contractor on no account can refuse to rectify the defects merely on reasons that the further work has been carried out. No extra payment shall be made for rectification.
- 1.2** If the progress of any particular portion of the work is unsatisfactory, the Director shall notwithstanding that the general progress of the work, be entitled to take action after giving the contractor 10 day notice in writing. The contractor will have no claim for compensation, for any loss sustained by him owing to such action.

CLAUSE II: INCOMETAX DEDUCTION

11.1 TDS (Tax Deducted at Source) will be as per prevailing rules and regulations of Income Tax Department.

CLAUSE 12: ELECTRICITY AND WATER

12.1 The contractor has to make his own arrangements for water and electricity as far as possible.

CLAUSE 13: DAMAGES TO GOVT. PROPERTY

13.1 Compensation for all damages done intentionally or unintentionally by contractor's =

labor whether in or beyond the limits of Govt. property including any damage caused by spreading of fire, shall be estimated by the Estate officer subject to the decision of the Director, ICAR-IISS, on appeal shall be final and the contractor shall bound to pay the amount of the assessed compensation on demand, failing which, the same will be recovered from the bill of the contractor.

13.2 The contractor shall be responsible for making good the damages done to the existing property or work during construction by his men.

CLAUSE 14: SUPERVISION AND INSPECTION OF WORKS AND QUALITY CONTROL

(a) SUPERVISION

The contractor shall either himself supervise the execution of the works if in the opinion of the Director the contractor has no sufficient knowledge and experience, the contractor shall at his own expenses, employ as his accredited agent a qualified Engineer approved by the Director.

INSPECTION

(B) The contractor shall inform the Estate Officer in writing when any portion fo the work is ready for inspection giving him sufficient notice to enable him to inspect the same without affection the further progress of the work. The work shall not be considered to have been completed in accordance with the terms of contract until the Estate Officer shall have certified in writing to that effect. Approval of materials of workmanship of approval of part of the work during the progress of execution shall not bind the Director or in any way affect him even to reject the work which is alleged to be completed and suspend the issue of his certificate of completion until such alterations and modifications or reconstruction's have been effected at the cost of the contractor as shall enable him to certify that the work has been completed to his satisfactions. The contractor shall provide at his cost necessary ladders and such arrangements as to provide necessary facilities and assistance for proper inspection of all parts of the work at his own cost.

CLAUSE 15: MODE OF MEASURMENT

- (a) All measurements will be recorded in MKS/ SI units, with accuracy up to plus or minus one centimeter. CPWD method of measurement shall be adopted for taken measurements.
- (b) Measurement of each and every item will be recorded on the day of its actual execution. The measurements shall be recorded in the presence of the contractor or his authorized agent. The measurements recorded by the site engineer shall be final and binding on the contractor in case they remain absent during the measurement. No correspondence shall be entertained in the regard.

- (c) Measurements area of granite, tiles, marble, Aluminum sections, etc shall be taken on clear cut exposed areas only.
- (d) In addition to above, the normal (CPWD) mode of measurement will be adopted wherever ICAR- IISS, terms and conditions on this account are not sufficient.
- (e) Where for proper measurements of the work, it is necessary to have an initial set of levels or other measurements taken, the same recorded as in the authorized field book, measurement book of Government by the Director or his authorized representative will be signed by the contractor who will be entitled to have a true copy of the same made at his cost. Any failure in the part of the contractor to get such levels etc. recorded before starting the work will render him liable to accept the decision of the Director as to the basis of taking measurements. Likewise the contractor will not cover any work which will render its subsequent measurement difficult or impossible without first getting the same jointly measured by him and authorized representative of the Engineer In charge. The record of such measurements on the Government side will be signed by the Contractor and he will be entitled to have a true copy of the same at his cost.

CLAUSE 16: CLAIMS

16.1 No extra work shall be done without the written permission of Director No claim of extra work shall be paid separately.

16.2 Claims for any extra work shall be registered within 30 days of occurrence of the event along with final bill. No. Separate bill shall ever be made for any additional or extra works done. ICAR- IISS shall not be responsible if the contractor executes any extra work without written order.

CLAUSE 17: HANDING OVER OF WORK

17.1 All the works and material before final taken over by Government will be the entire liability of the contractor for guarding maintaining and making good any damages of any magnitude, interim payments mad for such work will not alter this position. The handing over the contractor and taking over by the Director or his authorized representative will be always in writing of which copies will go to Director or his authorized representative and the contractor, it is however understood that before taking over such work Govt., will not put into regular use of distinct from casual or incidental one, except as specifically mentioned elsewhere in this contract or as mutually agreed to.

CLAUSE 18: OTHER CONDITION

18.1 Any contractor who does not accept these conditions shall not be allowed to tender works.

18.2 The contractor shall not suitable or assigns his contract to others.

18.3 Except where otherwise specified in the contract the decision of the Director, ICAR-IISS, Mau, shall be final and binding on all parties of the contract upon all questions relating to the meaning of the specifications, designs, drawings, etc, or as to any other question, claim, right, matter, or thing whatsoever, in any way arising out of, or relating to the contract, design, drawing, specification etc. or otherwise concerning the works, or the execution, or failure to execute the same , whether arising, during the progress of the work, or after the completion or abandonment thereof.

18.4. If the contractor stops the work in between due to his personal reasons, financial grounds, etc, for more than ten day after the commencement of works, the competent authority of ICAR- IISS shall issue a notice to the contractor to this effect. The contractor has to execute the works within seven days from the date of receipt of the notice, failing which the contract will be terminated and incomplete works will be executed by some other party at the risk and cost of contractor. The decision of the Director, ICAR-IISS, Mau will be final in this regard without prejudice to any other rights or remedies whatsoever.

18.5 If rates of one or more than one firms are found identical, then L-1 firm will be decided on following basis:-

- a. Experience in concerned field.
- b. Annual turnover of the firm.
