

## ICAR – Indian Institute of Seed Science, Mau

### Training-cum-Field Exposure for Skilled Supporting Staff

ICAR-Indian Institute of Seed Science, Mau organized a **Training-cum-Field Exposure for Skilled Supporting Staff** from 28<sup>th</sup>-30<sup>th</sup> September, 2020. Dr. Vishal Tyagi, Scientist, ICAR-IISS, Mau welcomed all the trainees in inaugural function. Dr. Arvind Nath Singh, Director, ICAR-IISS, Mau offered opening remarks for the programme. Total 07 trainees from ICAR-NBAIM, Mau participated in this training-cum-field exposure programme. During three days of training programme several topics related to crop management, basic principles of field experimentation, soil sampling, seed production, seed storage and seed processing were covered. Trainees were also gone through practical exposure related to various activities like preparation of layout for experiment, weed management, handling of plant protection equipments, soil sampling, different methods of composting, seed germination, moisture testing, seedling evaluation and seed processing etc. Dr. Arvind Nath Singh, Director, ICAR-IISS, Mau gave certificate of training to participants during valedictory session. The webinar ended with the formal vote of thanks by Smt. Vinita Ramtekey, Scientist, ICAR-IISS, Mau.
